“The Greatest of the Exiles”

W. Q. J. knew the path that all would have to tread, and balm, advice, warning and encouragement will be found in his writings at every turn and for every circumstance of life. The closer one gets into the current that flows from Him—“the greatest of the exiles”—the more readily will those things which harass and distress fall away and become as nothing.

– Robert Crosbie

ON DUTY

We are to do our duty with the thought that we are acting for and as the Supreme Being, because that Being acts only by and through the creatures. If this be our real role it would in time be impossible for us to do wrong, for constantly thinking thus we will grow careful as to what acts we commit and are always clearing up our view of duty as we proceed.

– W. Q. Judge

THE UNITED LODGE OF THEOSOPHISTS

Declaration

The policy of this Lodge is independent devotion to the cause of Theosophy, without professing attachment to any Theosophical organization. It is loyal to the great Founders of the Theosophical movement, but does not concern itself with dissensions or differences of individual opinion.

The work it has on hand and the end it keeps in view are too absorbing and too lofty to leave it the time or inclination to take part in side issues. That work and that end is the dissemination of the fundamental principles of the Philosophy of Theosophy, and the exemplification in practice of those principles, through a truer realization of the SELF; a profounder conviction of Universal Brotherhood.

It holds that the unassailable basis for union among Theosophists, wherever and however situated, is "similarity of aim, purpose and teaching," and therefore has neither Constitution, By-Laws nor Officers, the sole bond between its Associates being that basis. And it aims to disseminate this idea among Theosophists in the furtherance of Unity.-

It regards as Theosophists all who are engaged in the true service of Humanity, without distinction of race, creed, sex, condition or organization, and

It welcomes to its association all those who are in accord with its declared purposes and who desire to fit themselves, by study and otherwise, to be the better able to help and teach others.

"The true Theosophist belongs to no cult or sect, yet belongs to each and all."

The following is the form signed by Associates of the United Lodge of Theosophists:

Being in sympathy with the purposes of this Lodge, as set forth in its "Declaration," I hereby record my desire to be enrolled as an Associate, it being understood that such association calls for no obligation on my part, other than that which I, myself, determine.

"The New Cycle"

We are surrounded on all sides by the ocean of universal science – the science of life eternal –bringing in its waters the buried and long forgotten treasures of vanished generations, treasures still unknown to the modern civilized races. The powerful current rising from the submarine abysses... blows us in the face, murmuring: "That which was, still is; that which is forgotten, buried for æons in the depths of Jurassic strata, may once again reappear on the surface."

Let us prepare, and let us study Truth in all its aspects, trying not to ignore any of them, if we do not wish, when the hour will have struck, to fall into the abyss of the unknown.

The Spirit of Truth is at this moment moving upon the face of these black waters, and, separating them, forces them to yield their spiritual treasures. This spirit is a force that cannot be either checked or stopped.

- H. P. Blavatsky, 1889

There is no religion higher than truth
