Program of Activities

On The New Year's Morrow

A HAPPY NEW YEAR TO ALL! This seems easy enough to say, and everyone expects some such greeting. Yet, whether the wish, though it may proceed from a sincere heart, is likely to be realized even in the case of the few – is more difficult to decide. According to our theosophical tenets, every man or woman is endowed, more or less, with a magnetic potentiality, which when helped by a sincere, and especially by an intense and indomitable *will* – is the most effective of magic levers placed by Nature in human hands – for woe as for weal. Let us then, Theosophists, use that will to send a sincere greeting and a wish of good luck for the New Year to every living creature under the sun – enemies and relentless traducers included.

Lucifer, January, 1890, H. P. Blavatsky

...Let no one imagine that it is a mere fancy, the attaching of importance to the birth of the year. The earth passes through its definite phases and man with it; and as a day can be coloured so can a year. The astral life of the earth is young and strong between Christmas and Easter. Those who form their wishes now will have added strength to fulfill them consistently.

Lucifer, January, 1888, H. P. Blavatsky

"The One Reality, Manifested"

"...Although the root of every atom individually and of every form collectively, is that seventh principle or the one Reality, still, in its manifested phenomenal and temporary appearance, it is no better than an evanescent illusion of our senses. "

UNITED LODGE OF THEOSOPHISTS DECLARATION

The policy of this Lodge is independent devotion to the cause of Theosophy, without professing attachment to any Theosophical organization. It is loyal to the great Founders of the Theosophical Movement, but does not concern itself with dissensions or differences of individual opinion.

The work it has on hand and the end it keeps in view are too absorbing and too lofty to leave it the time or inclination to take part in side issues. That work and that end is the dissemination of the Fundamental Principles of the Philosophy of Theosophy, and the exemplification in practice of those principles, through a truer realization of the SELF; a profounder conviction of Universal Brotherhood.

It holds that the unassailable *basis for union* among Theosophists, wherever and however situated, is *"similarity of aim, purpose and teaching,"* and therefore has neither Constitution, By-Laws nor Officers, the sole bond between its Associates being that *basis*. And it aims to disseminate this idea among Theosophists in the furtherance of Unity.

It regards as Theosophists all who are engaged in the true service of Humanity, without distinction of race, creed, sex, condition or organization, and

It welcomes to its association all those who are in accord with its declared purposes and who desire to fit themselves, by study and otherwise, to be the better able to help and teach others.

*"The true Theosophist belongs to no cult or sect,
yet belongs to each and all."*

The following is the form signed by Associates of the United Lodge of Theosophists:

Being in sympathy with the purposes of this Lodge, as set forth in its "Declaration," I hereby record my desire to be enrolled as an Associate, it being understood that such association calls for no obligation on my part other than that which I, myself, determine.
